# Taste of Palacios Seafood Festival

November 7, 2026 • 4th Street Pier • Palacios, Texas

March 1, 2026

I am personally inviting you to partner with us as a sponsor of the **Taste of Palacios Seafood Festival**, now entering its third year.

What began as a local seafood celebration has grown steadily each year in attendance, vendor participation, and regional interest. With the festival now moving to Palacios' stunning waterfront, we are creating something larger than an event — we are building a signature coastal experience that directly connects visitors to the resource, the industry, and the people who define our community.

This festival does more than entertain. It:

- Promotes local seafood and our expanding oyster farming industry
- Funds meaningful beautification and waterfront improvements that strengthen walkability, public spaces, and long-term economic vitality
- Celebrates our unique and historical cultures and buildings

At this stage of growth, sponsorship is more than logo placement — it is leadership. Companies that step forward now help shape the direction, visibility, and scale of what we believe can become one of the premier coastal festivals in Texas.

As a sponsor, your company aligns with:

- A working waterfront community proud of its seafood heritage
- An all-volunteer 501(c)(3) dedicated to reinvesting every dollar locally
- A growing regional event with strong momentum and media visibility
- A positive, high-energy celebration that reflects well on its partners

We are intentionally building this event with quality, authenticity, and long-term sustainability in mind. With the right partners, 2026 will be our most impactful year yet.

I would welcome the opportunity to visit with you personally to discuss sponsorship opportunities and how your company can take a visible leadership role in this growing regional event.

Thank you for considering this partnership. Together, we can celebrate the best of the Texas Coast while building something lasting for Palacios.

Warm regards,

D.C. Dunham  
Festival Director  
Taste of Palacios Seafood Festival
